WINE BY THE BOTTLE

Fortified Wine.

Madeira – An accidental fortune.

Beginning as fortified wines, after long voyages across the equator, a sailor (or so the story goes) discovered a forgotten barrel that he thought was surely spoiled! However, flavours had intensified, the wine more complex & since then deemed 'vinho de roda' or wines of the round routes.

Since then winemaking has modernised and wineries now replicate this process by heating the wine in estafugams or naturally by the sun (Canteiro). An absolute delight to match with food with as they encompass the perfect balance between savoury-sweet, freshness-richness & can be enjoyed at the beginning, middle or end of a meal.
