#### Madeira – An accidental fortune.

*Beginning as fortified wines, after long voyages across the equator, a sailor (or so the story goes) discovered a forgotten barrel that he thought was surely spoiled! However, flavours had intensified, the wine more complex & since then deemed 'vinho de roda' or wines of the round routes.*

*Since then winemaking has modernised and wineries now replicate this process by heating the wine in estufagens or naturally by the sun (Canteiro).*
