*** Orange/Yellow/Amber. No longer a 'trend' but a wine style or perhaps a wine 'movement' that changes the way we look at wine and forces us to look outside the square. Wines not to be ignored any longer below are different styles varying from light and fruity to rich and complex and go exceptionally well with food.*

Madeira – An accidental fortune.

Beginning as fortified wines, after long voyages across the equator, a sailor (or so the story goes) discovered a forgotten barrel that he thought was surely spoiled! However, flavours had intensified, the wine more complex & since than deemed 'vinho de roda' or wines of the round routes.
